The Community Food Challenge is an interactive experience
(similar to a poverty simulation but on a smaller scale).

- *Learn about the realities and challenges of accessing food faced by low-income individuals and families.*
- *Become more aware and increase your understanding about hunger, poverty and food insecurity.*
- *Park across the street from the Courthouse. Enter through the main Courthouse doors. The Food Challenge may take slightly more than 90 minutes (approx. 9-11 a.m.) so please avoid the 90 minute parking spots.*
