ALL Leader Series

Networking Meetings

for a Brighter 4-H Future!

The Leader networking series is for ALL leaders in Waukesha County 4-H. This year, we have many new leaders and are seeing many changes across the organization. The purpose of this leadership development series is to get as many of our leaders together on a regular basis to get to know each other, build relationships, communicate important announcements, share ideas, help each other when they are struggling with an issue, and work together to improve our program. It is valuable to bring the seasoned leaders to share experience and knowledge together with new leaders with fresh ideas.

Who should come? ALL 4-H Leaders!

- Club General Leaders
- Project Leaders
- Leadership Association Members
- Activity Leaders
- Teen Leaders
- Involved Parents
- Anyone thinking of Becoming a Leader
