Adult Basic Education Program (ABE)

Overview

Description: The ABE Program provides basic and secondary education to individuals incarcerated in the Waukesha County Jail, who are motivated to further their learning. Teaching staff are provided by Waukesha County Technical College and meet with incarcerated individuals in a small classroom setting within the jail. Teaching staff provide two daily sessions, four days each week. In addition to basic and secondary education, other self-improvement support services are provided to assist incarcerated individuals' transition from the jail setting with improved academic skill and employability.
