International Travel Program

www.waukeshacounty.gov/travel

Call (262) 896-8430 today to schedule an appointment. Consultation/administration fee is $60. Cost of vaccines vary from $30—$220 each.

Traveling to a foreign country can be both exciting and challenging. It is important to plan ahead to reduce the risk of travel-related health or safety problems.

The Waukesha County Public Health Division can assess your health care needs prior to your date of departure. Qualified public health nursing staff are able to offer:

- Information about disease risks
- Information about food, water & insect precautions
- Preventive vaccines and medications

Waukesha County Public Health Division can provide immunizations that protect against the following:

Hepatitis A – Hepatitis B – Influenza – Measles
Pneumococcal – Polio – Tetanus – Typhoid
Varicella – Yellow Fever – Meningitis

Preventive Health Services & Screenings

Information ♦ Immunizations ♦ Lab Screenings

A Public Health Nurse (RN) is available to answer questions about health concerns and provide information on health care resources. No appointment is needed for these services.
