Department Budget Sections

Department operating budgets are intended to highlight the budget and policy issues of each department presented in the following format:

Department Statement of Purpose/Summary - This section includes the department's statement of purpose, summary of the department's revenues, tax levy, and expenditures. The department's revenues, expenditures, and tax levy are required by fund for the prior-year actual, for the current-year adopted budget, the current-year estimate, and for the ensuing year budget request. This section includes the absolute dollar and percentage change by appropriation unit from the current-year adopted budget to the ensuing-year budget request. Also included, is a budgeted position summary of all full-time and part-time budgeted positions for a department, and the use of overtime and temporary extra help, which are stated in full-time equivalents (FTEs) based on 2,080 hours per year.

Multi-fund departments will also complete a summary page summarizing information for all funds. For each separate fund, a **Fund Purpose** statement is displayed.
