Lake County Clean Waters

The AIS Coordinator was asked to share the flyer below regarding the upcoming meeting of the newly revamped 'Lake County Clean Waters', formerly know as the Clean Water Association. This organization has hosted several meetings in the past helping to spread information about Aquatic Invasive Species and the importance of protecting and improving our water quality in and around Waukesha County Lakes.

You're Invited!

Join Us for Our Debut Meeting of 2020

*A quarterly forum for river and lake groups hosted by Lake Country Clean Waters
(formerly known as the Clean Water Association)*

Thursday, January 16, 2020 * 6 PM - 8 PM

*Oconomowoc Community Center * 220 W. Wisconsin Ave. UPPER LEVEL
Light Refreshments Provided*

TOPIC:

***Enforcement & Prevention
of Aquatic Invasive Species
In Local Waters***

AWARENESS

Cassie Taplin – Washington and Waukesha AIS Coordinator will discuss Aquatic Invasive Species Cleaning Stations Signs and Intro To NR40, which makes it illegal to possess, transport, transfer, or introduce certain invasive species in WI without a permit.

ENFORCEMENT

DNR Wardens, Local Police and Administrators will outline their approaches to enforcing CBCW, lake laws, NR40, local ordinances and hunting laws. Get your questions answered during the roundtable discussion!
