Braun presented that this ordinance modifies the 2023-2027 Capital Plan and 2023 Capital Projects budget to increase expenditures by \$115,000 for project #202106 – CTH VV, CTH YY Intersection. Based on bid results, total project costs increased \$832,000, which is mostly offset by \$717,000 of additional federal Highway Safety Improvement Program funds. The Wisconsin Department of Transportation manages these funds, and bills the county for the net increase of \$115,000, which would be funded with Capital Project Fund balance.

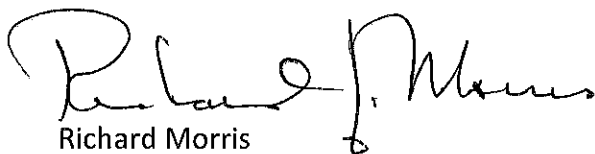

To answer LaFontain's question, Braun said this is the last bid for the year. Year 2024 will be a light construction year for the county because of the courthouse project.
