#### **Request for Public Assistance to Identify Individual**

The Waukesha County Sheriff's Office is requesting the public's assistance with identifying an adult female that was located in the early morning hours on May 8th, 2023. The woman had walked into the jail lobby and appeared disoriented as well as being unable to provide any information of who she was. The Waukesha County Sheriff's Office, along with Waukesha County Health and Human Services, would like to unite this individual with her family.

When the woman was found, she was wearing a floral print long sleeve shirt, blue jeans, and gray tennis shoes. She is a white female between the ages of 25-40 with brown hair and brown eyes. The woman was transported to the hospital, where she was found to be in good health. Surrounding area law enforcement was contacted to check if the female was missing from their jurisdictions. Facial recognition, along with other forms of technology, were used to attempt to identify the female without success.

The Waukesha County Sheriff's Office was assisted by the City of Waukesha Police Department and Waukesha County Health and Human Services, who have worked to assist in attempting to identify the female.

If you believe you know who the female is, please contact the Waukesha County Sheriff's Office at (262) 548-7122.

This incident remains under investigation by the Waukesha County Sheriff's Office.
