**ADDITIONAL ITEMS TO REVIEW PRIOR TO SUBMITTING A SUBDIVISION PLAT**

- Call ahead to determine the required review and forwarding fees
- Call ahead to determine the number of plats that must be submitted
- Submit to the County or the appropriate forwarding agency as required so they can initiate the plat forwarding procedure
- Check with the local municipalities for their individual submittal requirements
- Include a Submittal letter with your plat submittal
- Compliance with County Park and Open Space Plan, discuss acquisition issues with the appropriate agency early in the process
- Request any additional field delineations/studies **early** in the process (floodplain studies, navigability determinations, ordinary high water mark determinations, etc.)
- Plan ahead for utilities
- Check that all of the extraterritorial plat review municipalities (if any) are also notified, check for recent annexations that may affect the boundaries of extraterritorial plat review authority
- Check that all other actions affecting the submittal of the plat are approved (e.g., land use plan amendments, zoning changes, conditional uses, sewer service area amendments, sewer extension letters, DNR, ACOE, DOT, etc.) and provide necessary documentation
- Highlight changes on resubmittals
- Include waiver requests, if any
