APPROVAL OF MINUTES

Don Harris made a motion, seconded by Raquel Mehring to approve the minutes of February 21, 2008. The motion was voted on and carried.

BOARD LIAISON REPORT

Richard Wutt reported in Dennis Farrell's absence. At the last Health and Human Services Board meeting, he indicated that Don Maurer, Deputy Director, discussed the framework of the Aging and Disability Resource Center (ADRC) and other details concerning the mobile manufactured buildings (MMBs).

ISSUE SEGMENT

Today's issue segment is to finalize the CAFSAC Needs List presentation that will be presented to the Health and Human Services Board on March 27, 2008 at 1:00 p.m.

Ron Pupp thanked the Committee members for all of their assistance, ideas, and new statistics in updating last year's PowerPoint presentation. He pointed out that we will follow the structure from last year of telling our mission, and identifying our needs in relation to the County's Strategic Outcomes.

The presentation will begin with the statistics, the facts, and then last years funding reductions. Another topic that will be addressed is that staff are working harder now and the needs in the community are increasing while services are being cut, and that when you put dollars into prevention it actually saves the county money and less family interruption in the long run.
