**Waukesha County Executive Dan Vrakas' Statement on Judge Sumi's
Decision on 2011 Wisconsin Act 10**

Waukesha, Wis. – Waukesha County Executive Dan Vrakas released the following statement today after Dane County Circuit Court Judge Maryann Sumi ruled 2011 Act 10 void:

“I am disappointed in Judge Sumi’s ruling that declared 2011 Act 10 void. The ruling is a temporary setback to the much-needed reforms that will help local governments operate in a more efficient manner, keep taxes low, and deliver high quality, necessary services. The ruling also perpetuates uncertainty as local governments enter a critical period where we are developing our 2012 budgets. ”
