**County Holds Mass Casualty Exercise**

Waukesha, WIS. – Waukesha County’s Emergency Management Office will hold a three hour, full scale mass casualty exercise at Crites Field on Wednesday, September 17 at 5 p.m. to develop, sustain and evaluate multi-agency emergency response systems.

A simultaneous exercise at a park in the village of Wales will also be held to fully test local emergency response, mutual aid requests, and the capability of healthcare providers to manage large numbers of injuries concurrently.

Once finished, exercise evaluators will compile an After Action Report and Improvement Plan, which will provide recommendations for future trainings, equipment and response procedures.

For more information about the Crites Field portion of the exercise, please call Emergency Management Coordinator Bill Stolte at (262) 548-7580. Details about the village of Wales event can be obtained from the Wales/Genesee Fire Chief Greg Jezak at (262) 968-3301.
