'BEE' Part of the Fun at Free Family Night

WAUKESHA – Celebrate Waukesha youth at a fun, free family night presented by Wal-Mart featuring Radio Disney and an outdoor showing of the BEE Movie on Friday, May 30 from 7 – 10 p.m. at Cutler Park.

This Waukesha Youth Collaborative event, which is sponsored by Wal-Mart, AT&T and Clear Channel, is an opportunity to celebrate Waukesha's youth and to recognize the community's second consecutive national award as one of the 100 Best Communities for Young People by America's Promise Alliance. Families that attend will enjoy music, dancing, games and prizes at the Radio Disney Street Jam at 7 p.m. At dusk (approximately 8:30 p.m.), the BEE Movie will be shown.

People are encouraged to bring lawn chairs and blankets to sit on during the movie. Free popcorn and beverages will be provided. Carry-ins will be permitted, however, alcohol and tobacco products are not allowed at this youth focused event.

City of Waukesha Mayor Larry Nelson says, "The city of Waukesha has been named one of the 100 Best Communities for Young People two years in a row, and this family night celebration is a great way for us to recognize our city's achievement. I would like to thank Wal-Mart, AT&T and Clear Channel for their support. Without their help, this event would not be possible."

The Waukesha Youth Collaborative is a recognized community leader in the coordination and engagement of youth and families to community services. These resources build strong values for successful, responsible youth, which support a variety of after-school programs, summer activities, Safe Place activities and scholarships for youth. In addition, the innovative use of a website, www.waukeshateens.org, provides a way for the community to learn about positive services and activities for youth. Founded in 2001, over 35 community agencies and organizations are active participants in the collaborative.

Cutler Park is located a 321 Wisconsin Avenue, Waukesha. If raining, the event will be moved indoors to the Schuetze Recreation Center at 1120 Baxter Street. For more information, please call Pat Grulke of Waukesha's Parks, Recreation & Forestry Department at (262) 524-3737.
