HIGHWAY CONSTRUCTION PLANNED IN WAUKESHA COUNTY
County Trunk Highway K (Hampton Avenue)

Waukesha, WIS. – Wisconsin Department of Transportation (WisDOT) and Waukesha County plan construction work on County Trunk Highway (CTH) K (Hampton Avenue) in the Village of Butler. The project limits extend from 132nd Street to 124th Street. The construction project will involve the rehabilitation of the existing concrete pavement, including concrete pavement repairs followed by placement of an asphalt pavement riding surface. The project will be constructed using American Recovery and Reinvestment Act funds.

Construction activities are scheduled to begin June 14, 2010 and be completed by August 20, 2010. The project will be constructed in phases, allowing Hampton Avenue to remain open to traffic. At least one travel lane will be maintained in each direction on Hampton Avenue. Parking will be prohibited along Hampton Avenue during the project. Motorists should use caution and expect delays within the construction zone.

Stark Asphalt of Milwaukee will construct the project. RSV Engineering, Inc. of Jefferson will provide construction management and inspection services for the WisDOT.

For more information, please contact Mr. Kevin Yanny, County Project Manager at (262) 548-7740 or Ms. Holly Merson, Project Engineer, RSV Engineering at 920-605-0453.
