Program Highlights

General Government revenue decrease is mostly due to reductions in Federal and State funding that includes a child care initiatives grant of \$32,129 which is discontinued. The remaining child care grants total \$408,082. Wisconsin Statewide Automated Child Welfare Information System (eWisACWIS) funding decreases by \$16,400 to \$0 due to restrictive changes in the state reimbursement reporting method. The income maintenance allocation is reduced by \$10,728 to \$0 as funding and related activities are shifted and included in the Economic Services and Support program. These decreases are partially offset by an estimated increase of \$8,432 to \$522,354 in the State Kinship Care pass through funding allocation, which is based on the number of children in Kinship Care placement.

Personnel cost changes includes cost savings of \$50,768 from abolishing 1.00 FTE Human Services Specialist position and the shifting of a 1.00 FTE Clinical Therapist position to the Adult Protective Services Unit, to more efficiently coordinate the Intake services directly in the Adult Protective services. These reductions are offset by costs to continue the remaining 24.30 FTE positions for general wage and benefit increases.

Operating expenditures include \$482,838 related to the Kinship Care Grants, and \$460,297 for various other contracted services. Operating expenditures changes mostly reflect reductions in community child care of \$32,084 due to elimination of the above referenced child care grant and two prevention/education contracts of \$22,720. Also Crisis Respite Child Day Care is reduced \$40,000 with the remaining balance of \$140,000 to serve 50 families on average. This is offset by estimated mileage reimbursement increases of \$9,431 and Kinship Care Payments increases of \$7,133 which is related to the revenue increases noted above.

Program Highlights

Department Economic Support staff continue to successfully address significant workload challenges resulting from the States Badger Care Plus program expansion and new State Family Care Program Initiative implementation during 2008.

General Government revenue primarily represents the State Income Maintenance Allocation of \$3.26 million, which includes an increase of \$239,895 in State funding of Income Maintenance (IM) program. Also General Government revenues include \$332,260 of Day Care Administration funding, which is increased by \$48,501 and an increase of \$10,000 in Fraud Match Recovery from the 2008 Budget. This is partially offset by a decrease of \$30,000 in General Assistance (BASIC/GA) eligibility repayments and a decrease of \$7,000 in Fraud Investigation recoveries.

Personnel is increasing by one net position as a result of abolishing one Fraud Investigator and creating two Economic Support Services Specialists to address increased workloads and caseloads associated with Badger Care Plus and Family Care. In addition to those changes, Personnel costs reflect costs to continue increases for the existing staff.

General Operating expenses increase \$2,480 to \$881,754 and include various small increases including a \$6,250 increase to \$106,250 in Medical Assistance Transportation costs, a service provider contract increase of \$4,216 for total contracted services of \$467,836 and a reduction of \$8,747 to \$16,313 in General Assistance payments (Basic/GA). The 2009 budget also includes \$171,700 for indigent burials.

Interdepartmental charges increase primarily includes \$43,520 for computer replacement and maintenance charges, reflecting appropriate end user technology total cost of computer ownership, for which a tax levy increase adjustment was provided.
