
ANNUAL LEVY RATE

Waukesha County tax levy rate indicates the actual rate per \$1,000 property value levied based on equalized (market) value. The tax rate is adjusted each year for the change in property taxes required in the annual budget in relation to the change in existing property value and the added value of new property development. The rate decreased for 18 consecutive years beginning with tax year 1989 to 2007 but is proposed to increase eight cents to \$1.87 mainly due to an actual reduction of tax base of over \$900 million (1.8%) in 2009.
