Thanks to: Fue Yang
Senior IT Systems Professional, DOA

About the cover: The Waukesha Moor (Mud) Baths Resort main building (right) opened in 1910 and addition opened in 1926. The Resort, which included a nine-hole golf course, drew visitors from across the nation for its therapeutic treatment facilities and “Grand Resort Links.”
The County purchased the building from bankruptcy status in 1972 to be used for County services, particularly Health and Human Services programs.
