

## TAX LEVY BY FUNCTIONAL AREA

**Tax Levy Trends:**

- **Justice & Safety:** The 1% Tax Levy increase in this functional area is mainly due to jail support costs in the Sheriff's Department, Emergency Preparedness – Communication Center Expansion (including dispatching for the City of New Berlin) and no increase in State grant funds to Circuit Court Services in the past decade.
- **Public Works:** The 1% Tax Levy decrease in this functional area is related to the department adjusting to tighter county tax levy targets and the need to maximize alternative funding sources.
- **General Administration:** The Tax Levy increase of 1% is related to a one-year increase in county tax levy assigned to the Treasurer's budget to offset an anticipated decrease in investment income revenues in 2015.
