

# Ethan Allen School

## Overview

**Description:** The Ethan Allen School for Boys is a secure correctional facility and acts as an umbrella for restorative justice and juvenile delinquency programs. The facility provides individualized and culturally responsive case management plans for delinquent youth. Youth are offered services, experiences, and opportunities to regain control of their behavior and to learn new skills and values that will promote community protection as well as help youth return to society. Services are measurable and carefully managed.

**Started:** 1959

**Capacity:** 400
