JURISDICTIONAL TRANSFER AGREEMENT  
FOR COUNTY TRUNK HIGHWAY G

THIS AGREEMENT, entered into this 12<sup>th</sup> day of July, 2002, by and between Waukesha County hereinafter called the County and the Village of Wales hereinafter called the Village.

WITNESS THAT:

WHEREAS the County Trunk Highway System has been designed and constructed to serve trips of longer distance and large traffic volumes, and

WHEREAS Section 83.025(1) Wisconsin Statutes enables the County to enter into a Jurisdictional Transfer Agreement with local units of government containing any terms and conditions that the County and local units deem necessary regarding maintenance or rehabilitation of the highway transferred.

NOW THEREFORE, the parties hereto do mutually agree to transfer jurisdictional responsibility for the highways under the conditions described below.

1. The County agrees to transfer jurisdiction of CTH G from STH 83 easterly to the east village line, a distance of 1.8 miles to the Village(Road.)
2. The Village agrees to accept transfer of jurisdiction of the Road subject to the provisions of this agreement.
3. The Village agrees that upon acceptance of the Road, it will assume all costs related to the maintenance of said road including but not limited to driving surface, shoulders, stormwater, snow and ice control, and traffic engineering (signs, signals, pavement markings).
4. The Village agrees that upon acceptance of the Road, it will assume responsibility for the issuance and administration of all permits for work within the highway right of way including driveway and utilities.
5. The County agrees to indemnify and hold the Village harmless from any and all claims which may arise out of the County's ownership, operation and maintenance of the Road for the period of time prior to the transfer.
6. The County and Village agree that the County will fund a project to resurface the Road. In the event that the Village wishes to postpone the Road work until after the effective date of the transfer, the County agrees that it will still fund the project at that time. However, the project must be undertaken and completed prior to 12/31/03.

2.

7. The Village agrees that it will accept the Road upon the completion of the work to the satisfaction of the Village Engineer cited above or the execution of this Agreement by both parties, whichever is sooner.
