11 WHEREAS the subject matter of this Ordinance having been duly referred to and considered by
12 the Waukesha County Park and Planning Commission, after Public Hearing, and the giving of
13 requisite notice of said hearing, and a recommendation for approval thereon reported to the Land
14 Use, Parks and Environmental Committee, and the Waukesha County Board of Supervisors,
15 Waukesha County, Wisconsin, as required by Section 59.69 and 59.692 of the Wisconsin State
16 Statutes.

17
18 THE COUNTY BOARD OF SUPERVISORS OF THE COUNTY OF WAUKESHA DOES
19 ORDAIN that the Waukesha County Shoreland and Floodland Protection Ordinance adopted on
20 June 23, 1970, and the Waukesha County Zoning Code adopted on February 26, 1959, for the
21 Town of Genesee, Waukesha County, Wisconsin, are hereby amended to conditionally rezone
22 lands located in part of the S ½ of Section 9 and the N ½ of Section 16, T6N, R18E, Town of
23 Genesee, from the A-2 Rural Home District to the R-1 Residential and EC Environmental
24 Corridor Districts, and more specifically described in the "Staff Report and Recommendation"
25 and map on file in the office of the Waukesha County Department of Parks and Land Use, and
26 made a part of this Ordinance by reference (CZ-1499), subject to the following conditions:

- 27
28 1. Subject to the development being limited to a maximum of 11 single-family lots with
29 onsite waste disposal systems and private wells.
30
31 2. Subject to documentation being submitted to the Town Planner and the Waukesha
32 County Department of Parks and Land Use, Planning and Zoning Division Staff, that an
33 Access Permit to S.T.H. 83 has been issued by the Wisconsin Department of
34 Transportation.
35
36 3. Subject to the petitioner submitting to and receiving approval from the Town Attorney an
37 agreement between the property owner to the south and Mr. and Mrs. Bazzetta regarding
38 the entrance off of S.T.H. 83. Upon the Town Attorney's approval, if granted, said
39 agreement shall be executed by Mr. and Mrs. Bazzetta and the property owner to the
40 south prior to the zoning becoming effective.
41
42 4. Subject to the Waukesha County Department of Parks and Land Use, Land Resources
43 Division, approving an Erosion and Stormwater Management Plan for the proposed use
44 prior to any earth-altering activities on the site.
45
46 5. The petitioner shall submit and receive all necessary approvals for a Preliminary Plat and
47 a Final Plat and shall satisfy all conditions of the same by the Town of Genesee and
48 Waukesha County.
49

- 50 6. The petitioner shall submit and receive all necessary amendments to the Waukesha
51 County Shoreland and Floodland Protection Ordinance by Waukesha County, if needed,
52 to develop the subject property in compliance with conceptual plans presented to the Plan
53 Commission at the meeting of the July 28, 2003, and the presentation at the Town of
54 Genesee Plan meeting of that date.
55
- 56 7. The petitioner and the property owner will accept the terms and conditions of this
57 conditional rezoning approval in writing.
58
- 59 8. All Upland Primary Environmental Corridor will be placed in the EC Environmental
60 Corridor District.
61
- 62 9. The map for the Waukesha County Zoning Code and the Waukesha County Shoreland
63 and Floodland Protection Ordinance shall be amended to include all areas within 300 ft.
64 of the navigable stream as determined by the Department of Natural Resources (DNR) on
65 their October 8, 2003, correspondence as being in the jurisdiction of the Waukesha
66 County Shoreland and Floodland Protection Ordinance and placed in the zoning district
67 as noted on the attached map.
68
- 69 10. All information required to be submitted to the Town Attorney by conditions set forth by
70 the Town Board in the approval of this rezoning must also be submitted to the Planning
71 and Zoning Division Staff of the Waukesha County Department of Parks and Land Use.
72
- 73 11. Prior to approval of the Preliminary Plat, written documentation from the Town verifying
74 that all the conditions of the Town Board approval have been met, must be submitted to
75 the Planning and Zoning Division Staff of the Waukesha County Department of Parks
76 and Land Use.
77

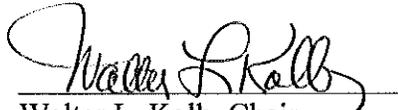

78 BE IT FURTHER ORDAINED that the Waukesha County Clerk shall file a certified copy of
79 this Ordinance with the Town Clerk of Genesee.
80

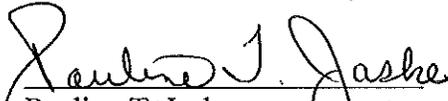

81 BE IT FURTHER ORDAINED that this Ordinance shall be in full force and effect upon passage,
82 approval and publication.
83

84 BE IT FURTHER ORDAINED that all Ordinances inconsistent with or in contravention of the
85 provisions of this Ordinance are hereby repealed.

STAFF REPORT AND RECOMMENDATION
ZONING MAP AMENDMENT
ADDENDUM

FILE NO.: SCZ-1499

DATE: November 20, 2003

PETITIONER: Paul and Karen Bazzetta
W317 S3160 Hwy 83
Waukesha, WI 53189

TAX KEY NO.: GNT 1502.999

LOCATION:

Part of the S ½ of Section 9 and the N ½ of Section 16, T6N, R18E, Town of Genesee. More specifically, the parcel is located on the east side of S.T.H. 83, south of its intersection with C.T.H. "DE", containing approximately 46 acres.

PRESENT ZONING:

A-2 Rural Home District (requiring three-acre minimum lot sizes).

PRESENT LAND USE:

A single-family residence and outbuilding.

PROPOSED ZONING:

Conditional R-1 Residential District (requiring one-acre minimum lot sizes) and Environmental Corridor.

OTHER CONSIDERATIONS:

The applicants are proposing to rezone a portion of the 46-acre parcel to a conditional R-1 Residential District and retain the C-1 Conservancy District on the subject parcel in order to develop a maximum of 11 single family lots, having a minimum size of one acre. Approximately 25.4 acres is being retained in common open green space to be owned as an undivided interest by all 11 lot owners. The area that is currently zoned C-1 Conservancy is not part of this rezoning petition; however, the Planning and Zoning Division Staff feels that the Upland Primary Environmental Corridor should be zoned to the EC Environmental Corridor District. The majority of the Primary Environmental Corridor and Conservancy area will be in common open space. The development will occur at an overall density of one unit per 4.2 acres. Other development in the area is mixed with one and three-acre lots. The land immediately to the west is one-acre residential lots and to the north are a number of Certified Survey Maps approximately three acres in size, some of which were created on private drives, which must be a minimum of three-acres no matter what the zoning is. The land to the south and to the east is currently undeveloped.

When the matter was before the Waukesha County Park and Planning Commission on October 23, 2003, it was referred back to the Town of Genesee, as Condition No. 5 (Exhibit "A") of their approval of the rezoning stated, "Subject to the Wisconsin Department of Natural Resources (DNR) making a navigability determination on the property to determine if the navigable body of water or stream exists on the property. If the DNR determines that a navigable body of water or stream exists on the property, then this zoning amendment request shall be returned to the Town of Genesee Town Board for further considerations, including the possible denial of the request or possible amendment of the conditional approval." That

matter was referred back to the Town Board as the County received correspondence dated October 8, 2003, stating that the stream on the subject property was navigable; therefore, the Planning and Zoning Division Staff felt that prior to the matter proceeding through the County committees and County Board, the Town of Genesee should determine whether they were going to approve the rezoning as previously submitted or amend their conditions of rezoning. On November 10, 2003, the matter was discussed by the Town Board and in correspondence dated November 14, 2003, it stated that it was the opinion of the Town Board that the location of the navigable stream will not have an impact on the proposed development, since the stream is entirely within a conservancy area which will be protected (Exhibit "B"). It should also be noted that the County Shoreland and Floodland Protection Ordinance Jurisdictional Boundaries are being added to this area of the Town of Genesee as a result of the recent navigability determination and those areas lying within that jurisdiction will be zoned either C-1 Conservancy District or EC Environmental Corridor District.

STAFF RECOMMENDATION:

It is the opinion of the Planning and Zoning Division Staff this rezoning request be approved subject to the following conditions:

1. Subject to the development being limited to a maximum of 11 single-family lots with onsite waste disposal systems and private wells.
2. Subject to documentation being submitted to the Town Planner and the Waukesha County Department of Parks and Land Use, Planning and Zoning Division Staff, that an Access Permit to S.T.H. 83 has been issued by the Wisconsin Department of Transportation.
3. Subject to the petitioner submitting to and receiving approval from the Town Attorney an agreement between the property owner to the south and Mr. and Mrs. Bazzetta regarding the entrance off of S.T.H. 83. Upon the Town Attorney's approval, if granted, said agreement shall be executed by Mr. and Mrs. Bazzetta and the property owner to the south prior to the zoning becoming effective.
4. Subject to the Waukesha County Department of Parks and Land Use, Land Resources Division, approving an Erosion and Stormwater Management Plan for the proposed use prior to any earth-altering activities on the site.
5. The petitioner shall submit and receive all necessary approvals for a Preliminary Plat and a Final Plat and shall satisfy all conditions of the same by the Town of Genesee and Waukesha County.
6. The petitioner shall submit and receive all necessary amendments to the Waukesha County Shoreland and Floodland Protection Ordinance by Waukesha County, if needed, to develop the subject property in compliance with conceptual plans presented to the Plan Commission at the meeting of the July 28, 2003, and the presentation at the Town of Genesee Plan meeting of that date.
7. The petitioner and the property owner will accept the terms and conditions of this conditional rezoning approval in writing.
8. All Upland Primary Environmental Corridor will be placed in the EC Environmental Corridor District.

158-0-117

5.

9. The map for the Waukesha County Zoning Code and the Waukesha County Shoreland and Floodland Protection Ordinance shall be amended to include all areas within 300 ft. of the navigable stream as determined by the Department of Natural Resources (DNR) on their October 8, 2003, correspondence as being in the jurisdiction of the Waukesha County Shoreland and Floodland Protection Ordinance and placed in the zoning district as noted on the attached map.
10. All information required to be submitted to the Town Attorney by conditions set forth by the Town Board in the approval of this rezoning must also be submitted to the Planning and Zoning Division Staff of the Waukesha County Department of Parks and Land Use.
11. Prior to approval of the Preliminary Plat, written documentation from the Town verifying that all the conditions of the Town Board approval have been met, must be submitted to the Planning and Zoning Division Staff of the Waukesha County Department of Parks and Land Use.

As recommended for approval and conditioned, it is felt that the rezoning request is consistent with the Waukesha County Development Plan in that it has been determined that the Town of Genesee Overall Density of their current zoning is consistent with the one unit per five acres of the County Development Plan and the changing of the rezoning to a Conditional R-1 with 11 lots, at a density of 4.2 acres, is consistent with the previous A-2 three-acre rezoning.

PRESENT LAND USE:

PROPOSED ZONING:

PROPOSED LAND USE:
An eleven-lot subdivision plat.

PUBLIC HEARING DATE:
September 22, 2003.

PUBLIC REACTION:
Residents in the area were generally opposed as they wanted the property developed in large three acre or more lot sizes, which is consistent with other lots in the area.

TOWN PLAN COMMISSION ACTION
The Town of Genesee Plan Commission, voted to recommend approval of the request at their meeting of September 22, 2003, in accordance with the attached Exhibit "A".

TOWN BOARD ACTION:
The Town of Genesee Board, at their meeting of October 13, 2003, approved the rezoning in accordance with the Town Plan Commission's recommendation.

COMPLIANCE WITH THE WAUKESHA COUNTY DEVELOPMENT PLAN:

The Waukesha County Development Plan designates the area in the Rural Residential and Other Agricultural and Open Lands category and Primary Environmental Corridor. It should be noted that the parcels to the north and south are in the Suburban II Density Residential Category, which allows development of 3.0 to 4.9 acres per dwelling unit. The development of the parcel as a cluster development with an overall density exceeding one unit per four acres would be consistent with the Suburban II Density Residential Category on adjacent properties and meets the one unit for every three acres, which is the current zoning which has been considered consistent with the intent of the Waukesha County Development Plan of one unit per five acre overall density in the Town of Genesee. Therefore, the Planning and Zoning Division Staff determines that this request is consistent with the Waukesha County Development Plan, since no increased density is being allowed other than what which would be allowed with a three-acre zoning. The majority of the lots range in size from 1.0 to 1.4 acres with one large parcel being approximately 4.6 acres in size. The remainder of the site (25.4 acres), which is more than 50% of the site, will be in open space, owned by the homeowners. It should be noted it is not the intent of the developer to rezone the C-1 Conservancy District area on the subject site. The majority of the Primary Environmental Corridor will be maintained in open space area. The Town indicated there was concern with respect to a navigability determination of the waterways on the east end of the property and if deemed navigable, the matter needs to be returned to the Town for recommendation or denial but there was no indication why such a condition was imposed. The Department of Natural Resources did, on September 1, 2003, make a finding of positive navigability.

STAFF RECOMMENDATION:

It is the opinion of the Planning and Zoning Division Staff this rezoning request be returned to the Town in order to have them explain Condition No. 5, which states "Subject to the Wisconsin Department of Natural Resources (DNR) making a navigability determination on the property to determine if a navigable body of water or stream exists on the property. If the DNR determines that a navigable body of water or stream exists on the property, then this zoning amendment request shall return to the Town of Genesee Town Board for further consideration, including the possible denial of the request, or possible amendment of the conditional approval." Based upon the DNR's determination that the stream is a navigable body of water, the Planning and Zoning Division Staff feels the matter should be returned to the Town to clarify the condition prior to forwarding it to the Land Use, Parks and Environment Committee and the Waukesha County Board of Supervisors for their action.

RESOLUTION 03-11R

TOWN BOARD OF THE TOWN OF GENESEE

A Municipal Corporation

WHEREAS, a rezoning request was filed by Paul & Karen Bazetta to amend the Town of Genesee District Zoning Map of the Waukesha County Zoning Code, and the Waukesha County Shoreland & Floodland Protection Ordinance from A-2, Rural Home District, requiring 3-acre minimum lot sizes, to a conditional R-1, Residential District, requiring 1-acre minimum lot sizes, on the property described as follows:

Part of the South ½ of Section 9 and the North ½ of Section 16, T6N, R18E, Town of Genesee. More specifically, the parcel is located on the east side of State Trunk Highway "83", south of its intersection with Country Trunk Highway "DE".

and,

WHEREAS, A Joint Public Hearing was held by the Town of Genesee Plan Commission and the Waukesha County Department of Parks and Land Use on September 22, 2003 immediately following the 7:00 p.m. Public Hearing of Mark Geniesee at the Genesee Town Hall located at S43 W31391 Highway 83 Genesee Depot, Wisconsin to consider said request: and

WHEREAS, the Town of Genesee Plan Commission held a public meeting to discuss said request. After discussion in regards to said request, by motion, properly made and seconded, the Genesee Town Plan Commission voted to recommend to the Town Board an approval of the request.

WHEREAS, the Genesee Town Board held a public meeting on Monday, October 13, 2003 to discuss said request. **BASED UPON THE SAME:**

IT IS HEREBY RESOLVED BY THE TOWN BOARD OF THE TOWN OF GENESEE, it being the town affected by said proposed zoning amendment,

THAT, the request for the petitioner be approved based upon the following reasons:

1. Subject to the development being limited to a maximum of 11 single-family lots with on-site private waste disposal systems and private wells.
2. Subject to documentation being submitted to the Town Planner that an access permit onto S.T.H. 83 has been issued by the Wisconsin Department of Transportation.
3. Subject to the Petitioner submitting to and receiving approval from the Town Attorney, an Agreement between the Property Owner to the South and Mr. and Mrs. Bazzetta regarding the entrance off STH 83. Upon the Town Attorney's approval, if granted, said Agreement shall be executed by Mr. and Mrs. Bazzetta and the Property Owner to the South prior to this conditional approval being effective.
4. Subject to Waukesha County Department of Parks and Land Use approving an Erosion Control and Storm Water Management Plan for the proposed use.
5. Subject to the Wisconsin Department of Natural Resources (DNR) making a navigability determination on the property to determine if a navigable body of water or stream exists on the property. If the DNR determines that a navigable body of water or stream exists on the property, then this zoning amendment request shall return to the Town of Genesee Town Board for further consideration, including the possible denial of the request, or possible amendment of the conditional approval
6. The Petitioner shall submit and receive all necessary approvals for a preliminary plat and a final plat, and shall satisfy all conditions of the same.
7. The Petitioner shall submit and receive all necessary amendments to the Waukesha County Shoreland and Floodland Protection Ordinance by Waukesha County, if applicable, as needed to develop the subject property in compliance with the conceptual plans presented to the Plan Commission at the meeting of July 28, 2003 and the presentation at the Town of Genesee Plan Commission meeting of that date.
8. The Petitioner and the Property Owner shall accept the terms and conditions of this conditional rezoning approval in writing.

AND FURTHER BE IT RESOLVED;

BY THE TOWN BOARD OF THE TOWN OF GENESEE, that the Town of Genesee does hereby give notice to the County that it approves the zoning amendment request of Paul and Karen Bazetta.

Re: Bazzetta Rezone

Dear Kathy,

At the Regular Town Board Meeting of November 10, 2003, the Genesee Town Board reconsidered the zoning amendment request of Paul & Karen Bazzetta with respect to the navigable stream. A motion was duly made, seconded and unanimously approved that a letter be directed to Waukesha County Parks and Land Use stating it is the opinion of the Town Board that the location of the navigable stream will not have an impact on the proposed development, since the stream is located entirely within a conservancy area, which will be protected. All conditions of the zoning amendment previously imposed shall remain in effect.

Sincerely,
