Dear Birth to Three Parents,

As a former Birth to 3 parent and a current chairperson for the Special Services Advisory Committee of Waukesha County, I'm pleased to invite you to "An Evening Out" to share your comments, concerns and questions about the Birth to 3 program. We need your insight and we want to hear from you. It's important that we listen to input and feedback from the families who receive the services. The goal of the evening is to take the information you give us and use it to improve the B-3 services offered through Waukesha County as administered by Lutheran Social Services. Whatever is on your mind, we'd like to talk with you about it!

*Please join us:*
