

## Waukesha County Park System Release of Liability

*My child is being allowed to participate in the Waukesha County Hockey Player Development Program at either Naga-Waukee or Eble Park Ice Arena. I understand that there are certain dangers inherent in playing ice hockey, which includes but is not limited to injuries from contact with other players, sideboards, goal standards, the ice, the puck, and equipment. In consideration of being allowed to participate in the hockey player development program, I, Individually and for all others who may claim based on injury to my child, accept the risk of physical injury, release and discharge Waukesha County and its employees from any liabilities to me or my child for any physical injury which may occur while my child is participating in player development. I understand that the purpose and intent of this release is to prevent me, and others who may claim through me, from recovering any money from Waukesha County and its employees for any physical injury my child may suffer while participating in player development.*
