WHAT IS THE BARNELØPET?

Modern X-C Skiing was born in Norway as transportation and a way of socializing with family and friends. Norwegians enjoy sharing their passion for skiing with the world and the

Sons of Norway endeavor to carry on this heritage. Barneløpet means "children's race". The Barneløpet is a way of sharing the skiing tradition and bringing the family together on a crisp day to share the fun and excitement of skiing. The Barneløpet is a smaller version of the Barnebirkie which is held in Hayward, WI

each February. Since its inception, the Barnebirkie has grown to the world's largest children's X-C Ski event. So get out your skis and join your children, tune up for the Barnebirkie and have loads of fun at

EVERY SKIER WINS!!

Participate in Sons of Norway Barneløpet, a free X-C Ski event for boys and girls of all skill levels age 3 to 15. The Barneløpet is a noncompetitive event where children choose to ski 1 or 3 kilometers and every skier is a winner. No times or places are recorded, but every skier is awarded a medal at the finish line. There is a clock running so participants can see their own time. All participants can also take home their race bib as a memento.
