

Bottles & Cans

- Aluminum Cans
- Plastic bottles/containers #1 & #2
- Steel/ bi-metal cans/containers - empty aerosol cans included
- Glass bottles & jars

Check with your hauler/recycler for details on these items. Different haulers have different material collections depending upon their buyers. This information may be helpful in choosing a hauler if you generate a lot of material that one hauler will accept and the other will not. Some will collect more items than listed above.
