EVENT RECYCLING BIN LOAN PROGRAM

Waukesha County coordinates a bottle & can recycling bin loan program designed for use at community events, fairs, festivals, and block parties. Use is restricted to events held in Waukesha County.

The county has 40 *Clearstream Cyclemax* bins available, along with clear plastic bags. They are available at no cost to municipalities, clubs, schools, churches, and other organizations on a “first-come, first-served” reservation basis. Any number can be reserved *as available*. To do so, please complete the reservation request form below. Once approved, the user will need to confirm/arrange pick-up and return drop-off times. Bins are stored near the county Expo grounds, and fold to fit in regular vehicles. Location directions will be provided. *Please book at least 3 weeks in advance if possible.*

Waukesha County recycling staff is available to assist all users with planning & implementing successful recycling programs at their events.
