## **Waukesha Community Education and Recreation Fair to be held May 3**

Waukesha, Wis. (Monday, April 23, 2012) – Waukesha County Technical College and the Waukesha Hispanic Collaborative Network are sponsoring a Community Education and Recreation Fair on Thursday, May 3 at the WCTC Waukesha campus, 327 East Broadway. The event is free and open to the public. There will be two sessions; from 10 a.m. to noon and 6 p.m. to 8 p.m.

“This is a great opportunity for residents to find out about educational and recreational opportunities for adults, families and children,” said Maria Pieters, bilingual community/family liaison with the School District of Waukesha. “We hope that parents come to ask questions about the school district, as well as find recreation programs for their children this summer.”

There will be short presentations by representatives from the Waukesha School District, local colleges and technical schools to explain requirements for graduation, GED changes and financial aid. There will also be booths staffed by local organizations and agencies to provide information, answer questions and help people sign up for recreation programs.

Groups attending include Girl Scouts of Wisconsin Southeast, Waukesha County Parks and Recycling, YMCA, Waukesha City Parks and Recreation, Waukesha School District, WCTC, Carroll University and UW-Waukesha.

Lynn Spangler, instructor of Citizenship and GED programs, added, “WCTC and the Waukesha Hispanic Collaborative Network are pleased to host this event that brings together education and recreation resources in one spot for the convenience of the public. We’d like to make this an annual event for the benefit of the community.”
