YOUR WEEKLY REFUSE & RECYCLING GUIDLINES

Single Sort means ALL recyclables are placed loose in one cart. Please do not bag or bundle any recyclable items. Your trash pickup will continue to be weekly. All materials must be in their appropriate carts to be picked up.

Please make sure your carts are on opposite sides of your driveway facing the road with a minimum of three (3) feet from any vertical obstruction. Please use your best judgment when placing your carts to the curbside. Please use the diagram below as to where to place your carts.

Your recyclables are to be rinsed out prior to placement in the recycling bin. Acceptable plastics to be recycled are #1 and #2.
