The Waukesha County Department of Public Works is responsible for all County Trunk Highways within Waukesha County. County Trunk Highways (CTH) are always designated by letters, such as CTH D, CTH ES, and CTH Y. State Trunk Highways (STH) and Federal Highways are designated by numbers. Examples would be US 18 and I 94. For information regarding state and federal highways, please contact either the [Wisconsin Department of Transportation](#) or the [GCM Corridor Wisconsin Page](#).
