

OVERSIZE LOAD PERMIT REQUIREMENTS

Waukesha County Department of Public Works issues single trip oversize load permits for travel on County Trunk Highways (CTH) within Waukesha County. A completed application form may be submitted to the department by fax or email. The link to the permit application is below. The department does not charge a fee for oversize load permits.

The department does not issue annual oversize load permits. For annual permits, please contact the Wisconsin Department of Transportation.

Permit Application Link
