Living Well
with Chronic Conditions

Put Life Back Into Your Life. Consider a Living Well Workshop.

Are you an adult with an ongoing health condition?

You'll get the support you need, find practical ways to deal with pain and fatigue, discover better nutrition and exercise choices, understand new treatment choices, and learn better ways to talk with your doctor and family about your health.

If you have conditions such as diabetes, arthritis, high blood pressure, heart disease, chronic pain, or anxiety, the "Living Well" workshop can help you take charge of your life.

Sign Up Now. Spaces Are Limited.

 Join a 2 ½-hour Living Well workshop, held each week for six weeks.

 Learn from trained volunteer leaders with health conditions themselves.

 Learn to set your own goals and make a step-by-step plan to improve your health — and your life.

"In just a few weeks, I got back to feeling better — and back to being the kind of person I like to be."
