Would you like to stay informed when there are changes to the Social Security website? More than one million people currently receive updates when we make changes to the pages they're most interested in. Now you can too.

You can subscribe to receive free email updates with the click of a button. Just visit www.socialsecurity.gov/govdelivery, or look for the red envelope icon on your favorite Social Security web pages.

A number of Social Security's more popular pages include an icon of a red envelope followed by a link that says "Get email updates." Clicking on that link will allow you to subscribe to updates for that particular page. If you click on the link, you'll get a list of the available subscription pages. You may select how often you wish to be notified of changes (immediately, daily, weekly, or monthly).

We have more than 25 topic pages you can subscribe to, including such hot topics as congressional testimony and speeches, disability research, popular baby names, and press releases at www.socialsecurity.gov.

Get a complete, linkable list of the pages you can subscribe to at www.socialsecurity.gov/govdelivery. When it comes to news and information updates from Social Security's website, we deliver.
