

**Immediate Release: Old Glory Honor Flight of Northeast Wisconsin  
Proudly Presents Yellow Ribbon Honor Flight IV at EAA's Air Venture  
July 29, 2016**

Old Glory Honor Flight, in partnership with American Airlines proudly announces Yellow Ribbon Honor Flight IV. This special flight will take place on Friday, July 29th, 2016 as part of EAA's Air Venture Oshkosh 2016.

While Old Glory Honor Flight remains committed to transporting Wisconsin's World War II and Korean War veterans to Washington DC, this special event will be different. Yellow Ribbon Honor Flight IV will be dedicated to the continuing recognition of our Vietnam veterans, and all participants will be veterans of the Vietnam War.

"Yellow Ribbon Honor Flights out of Air Venture have become a tradition for us and we are very excited to continue that tradition in 2016" said Old Glory Honor Flight Co-Founder Diane MacDonald. "We invite all Northeast Wisconsin Vietnam veterans to apply, and any Vietnam vet from around the country that is already planning on being at Air Venture is also encouraged to apply."

This is a special event with a separate application process. Interested veterans may go to [www.oldgloryhonorflight.org](http://www.oldgloryhonorflight.org) to apply online starting on June 1st and applications will be accepted through June 30th.

Approximately one hundred veterans will be selected at random from submitted applications. Applications from Northeast Wisconsin veterans that are not drawn for Yellow Ribbon Honor Flight IV will be added to our regular waiting list for future flights. Please note that Old Glory Honor Flight is migrating to online application submission only; paper applications will no longer be accepted starting June 1.
