

Community Service Options

Overview

Description: The Waukesha Community Service Options assists adults on probation or parole with monitored community service. This program is also available to Huber inmates who can shorten their sentences for completing community service.

Started: 1998

Capacity: 100

Goals: The goal of the Waukesha Community Service Option program is to assist with restorative justice initiatives by providing valuable volunteer services. It also reduces the amount of time and money spent on incarceration.

Incentives: Defendants can reduce their jail time by successfully participating in this program.
