

Spring Brook Watershed Lake Management District Agenda

Monday 6:30 PM on 7 June, 2021,

Due to the Covid virus this meeting will be a virtual meeting using computer, smart phone or telephone access. We will utilize Microsoft Teams for this meeting. This virtual meeting and the following notice meet Wisconsin open meetings law.
Mukwonago, Wisconsin 53149

Special Activity Open Meeting Notice

Please be aware that the Department of Natural Resources will conduct an electrofishing survey of Willow Springs Lake one evening during the weeks of 3 or 7 June, 2021. A motorized boat with a generator and high intensity lighting will sample the fish in the lake to provide fish population, species present and size and health information. An electric current temporarily stuns the fish and they are netted and will recover on the electrofishing boat. Persons observing this survey are strongly cautioned not to wade or swim in the water during this nighttime survey. Multiple commissioners may be present during this survey however no lake management district business or actions will be taken during this event.
