

## COORDINATED ENTRY

Coordinated Entry is an important process through which people experiencing or at risk of experiencing homelessness can access the crisis response system in a streamlined way, have their unique needs assessed, and quickly connect to appropriate housing and other services within the Waukesha community.

Coordinated Entry helps our community prioritize assistance based on vulnerability and risk to ensure people who need assistance the most can receive it in a timely manner.

Currently, the following agencies utilize Coordinated Entry and can conduct the appropriate assessment & referral:

*Center for Veteran Issues  
Community Action Coalition For South  
Central WI  
Hebron Housing Services  
Housing Action Coalition  
Lutheran Social Services of WI & Upper MI  
The Salvation Army*

## THE HOUSING ACTION COALITION OF WAUKESHA COUNTY, INC.

**Educate. Advocate. Raise Awareness**

## OUR MISSION

The mission of The Housing Action Coalition of Waukesha County, Inc. (HAC) is to educate, advocate, and raise awareness while providing a cohesive and coordinated response to homelessness and housing instability throughout Waukesha County.

## AGENCY HISTORY

HAC began in 1986 and serves as the Lead Agency for the Local Continuum of Care. HAC is tasked with finding responsive solutions to address housing instability in Waukesha County, and leads a collaborative membership network of local government representatives, healthcare, housing, and non-profit agencies.

The members of HAC serve approximately 700-1000 individuals and families each year- providing shelter, housing resources, clothing, mental health, domestic violence, counseling/advocacy, case management, job placement, food services, and utility/rental assistance.

By furthering our understanding of homelessness, we can support our community partners and we are better able to provide the right level of support to move individuals and families towards self-sufficiency and finding permanent and stable housing.

## HAC'S COMMITMENTS:

To promote collaboration.

To reduce duplicated services and eliminate competition for resources.

To support community partners to own, embrace, and commit to program goals, discuss system gaps, enhance service delivery, and support one another.

To improve data & system performance measures that are tied to funding sources.

To develop positive and productive relationships with community partners and members of the Coalition.

To continue coordinating the Waukesha Overflow Shelter.

To help facilitate street outreach and service coordination efforts.

HAC will continue to be a Facilitator, Collaborator, Supporter, Convenor, Mediator, Funder, and Lead Agency.
