Presentation: Marquette University Criminal Justice Data Analytics Practicum Final Project
Santiago distributed and shared a PowerPoint presentation titled, "Criminal Justice Collaborating Council; Pretrial Committee," presenting the findings from her semester practicum project.

Update on American Rescue Plan Act (ARPA) Fund Request for Pretrial Supervision Case Manager
Luczaj reported that the request was approved by the Waukesha County Department of Administration (DOA). The ordinance is being written and will be reviewed and approved by various County Board committees before being presented to the County Board at the end of June for the final approval. Luczaj hopes that the new Case Manager can start at WCS by the end of July or the beginning of August.

Review Status of Pretrial Supervision Caseloads
Eiring reported that the Pretrial Supervision caseload is at 120 defendants, and the Pretrial OWI caseload is at 157 defendants.

Eiring commented that the change in bond language has been working well.
