

Spring Brook Watershed Lake Management District Agenda
Monday 6:30 PM on 6 December, 2021,
Mukwonago Town Hall W320 S8315 Beulah Rd, Mukwonago, Wisconsin 53149

6:30 PM Call Meeting to Order:

Open Forum:

Correspondence:

Secretary's Report:

- Review and approve the Secretary's report for the 13 September, 2021 meeting.

Treasurer's Report:

- Review Treasurer's report and tax levy receipts.
- Review interest earning options for SBWLMD assets.
- Take action on bills.

Establish Committees/Chairs for Dam Maintenance, Educational Outreach, Water Quality and Recreation and Fisheries. Commissioners should contact residents of the district and other interested parties to serve as chairs to work on these ad hoc committee assignments.

Watershed and lake information, dam maintenance and future needs discussion:

- Dam failure analysis and secondary spillway calculation (using FEMA data) – bid opening.
- Dam maintenance activities – evaluate options for primary spillway signage – enclosure and brushing activities and rip-rap repair for eroded areas.
- Water quality update and general lake conditions.
- Discuss options and develop a plan to perform lake quality data collection.
- Nuisance animal update and invasive species observations and management.
- Fish management update and winter ice fishing and recreation survey

Legislative Update – Town/County/State:
