### **Introduction of Guests and Committee Members**

Committee members and guests introduced themselves.

### **Approval of Minutes – March 10, 2022**

Minutes from the March 10, 2022 meeting were reviewed. Andrews moved, second by Mangers, to approve the minutes as written. Motion carried.

### **Application for Driver's Safety Plan Preferred Treatment Provider Status – Heidi Nunnemacher, PsyD, TreeTop Counseling and Wellness, LLC**

Heidi Nunnemacher, PsyD, shared her professional background and the services currently provided by TreeTop Counseling and Wellness, LLC. Nunnemacher has worked as an independent practice under Cornerstone Counseling where her services included driver safety plans, depression/anxiety, stress/anger management and dual diagnosis. TreeTop collaborates with providers in the community to ensure clients receive the care they need and offers both telehealth and in-person appointments. The clinic also promotes medication assisted treatment (MAT) and will help clients find providers that offer MAT. TreeTop accepts United Health Care (UHC/UBH/UMR), Medicaid and Medicare and, also offers a sliding fee scale. TreeTop is not licensed by the state but does have a consulting mechanism in place for supervision.

The committee thanked Nunnemacher for her presentation. Nunnemacher left the meeting and discussion was then held by the committee on the application and presentation of TreeTop Counseling and Wellness, LLC

Andrews moved, second by Menefee to approve Heidi Nunnemacher, PsyD, TreeTop Counseling and Wellness, LLC as a driver's safety plan preferred treatment provider. Motion carried.

### **Reports**

- Acknowledgement and thanks to Arlene White for her service to the IPID Committee. In her place, the committee welcomes Daniel Michaels.
- HHS will be releasing \$200,000 toward substance use prevention. Funds will be released to schools and prevention agencies to increase substance use prevention within the county.
- Shout-out to the Addiction Resource Council (ARC) for their continued prevention work in the community.
- DHS-75 rewrite continues to be reviewed by HHS. More information to follow.
- The National Prescription Drug and Heroin Summit was held in April. Fentanyl continues to be the driver in opiate use and overdose across the country. Other drugs such as cocaine and methamphetamines are being laced with Fentanyl and "fake" drugs are being produced with an increased prevalence. Online "fake" pharmacies are also being opened which can present a significant danger to the senior community, who may be looking for cheaper medications.
