

DMV & IID Contact Information

Online Services

All of the DMV services below are now offered online at www.wisconsin.dmv.gov

- **Change your residence address** - You can update your primary residence address for your driver license and any vehicles titled and/or leased to you, including your registration (license plates).
- **Apply for a duplicate driver license or identification card** - Use this online system to obtain a duplicate driver license or identification card.
- **Driver's license status check** - Find out if your license is valid, suspended, revoked or disqualified.
- **Financial responsibility** - Find out how long you need to file proof of insurance (SR 22) and if you currently have acceptable proof of insurance filed.
- **Occupational license eligibility** - If your driver license has been revoked or suspended, find out if you are eligible for an occupational license.
- **Reinstatement eligibility** - If your driver license is suspended, revoked, disqualified or cancelled, find out if you are eligible to reinstate it or learn what you need to do to become eligible for reinstatement.
- **Schedule a road test** - Use this online system to schedule, reschedule, cancel or verify a road test.
- **License plate look up** - Find out when your plate expires; get the RRN number so you can renew your plates online; check to see if an emissions (IM) test is required for the vehicle; find out if your plate is suspended or valid.
- **Renew your license plate** - Online registration renewal is available for most vehicles.
- **Where's my title?** - Find out if your title has been processed recently. Please allow 10 days from the process date to receive it by mail.

Telephone Inquiries

- For driver licensing questions, or to reinstate your driver's license with a Visa or Mastercard, please call 608-266-2261.
- For information about your alcohol assessment or driver safety plan, please call the Alcohol & Drug Review Unit at 608-261-8202.
- For vehicle registration or titling issues, please call 608-266-1466.

IID Vendors

There are three IID vendors that are currently approved in the State of Wisconsin. Please contact the vendor directly for installation questions.

Approved Manufacturer	Phone
