FISCAL NOTE

CREATE ONE REGULAR FULL-TIME POSITION OF SENIOR INFORMATION
TECHNOLOGY PROFESSIONAL AND ABOLISH ONE REGULAR
FULL-TIME POSITION OF DETECTIVE

This ordinance creates a regular full time 1.00 FTE Senior Information Technology Professional (salary range \$69,742-\$92,206) and abolishes a regular full time 1.00 FTE Detective (salary range \$69,098-\$74,797) in the Sheriff's Department—General Investigations Division. According to the department, this will give the Sheriff more technical expertise in the position than the current Detective position.

The Detective position proposed to be abolished is vacant with a full year position budget of \$86,734. The Senior Information Technology Professional position being created is estimated at an annual cost \$81,970, resulting in a budget savings of \$4,764. The delay in filling the position will contribute additional vacancy and turnover savings for the Department in 2018.

This ordinance results in no additional tax levy for the 2018 budget.
