ACCEPT AN IN-KIND DONATION TO THE SHERIFF'S DEPARTMENT OF A ONE-YEAR GRAYKEY
SOFTWARE LICENSE SUBSCRIPTION FROM NON-PROFIT ORGANICATION OPERATION
UNDERGROUND RAILROAD AND APPROVE RELATED AGREEMENTS

This ordinance authorizes the Waukesha County Sheriff's Department to accept the donation of a one-year GrayKey software license. The value of the one-year cloud-based license is \$23,500. To accept this donation, the department will be tracking certain metrics related to the software for reporting back to Operation Underground Railroad. This is a requirement from the donating entity and will assist in determining if the department should commit to this software in future years. The department indicated that should they decide to keep this software beyond the term of the donation, they will evaluate outside funding options or would be otherwise prioritized in future budget requests.
