### **STATEMENT FROM WAUKESHA COUNTY EXECUTIVE PAUL FARROW ON EXTENDED “SAFER AT HOME” ORDER**

**(WAUKESHA, WI)** - Waukesha County Executive Paul Farrow made the following statement after Governor Tony Evers announced that the “Safer at Home” order will be extended for the entire state of Wisconsin until May 26, 2020.

"The Evers Administration's extended 'Safer at Home' order could be the difference between a business barely squeaking by or shutting its doors forever.

"The essential businesses that have been allowed to remain open have successfully enforced measures to allow employees to work safely, and members of the public to receive their services. I know many other businesses can adapt and do the same if Governor Evers would just give them the chance."
