### **WAUKESHA COUNTY CLERK SUPPORTS SALES TAX ORDINANCE**

**(WAUKESHA, WI)** – Today, October 18, 2024, Waukesha County Clerk Meg Wartman is announcing her public support for the county to implement a 0.5% sales tax to the State’s existing 5% Sales and Use Tax.

"Like many, I believe our elections should be as secure and accurate as possible. In Waukesha County, we’ve established a strong track record in recent elections, and it’s essential that we maintain that standard. However, enhancing security and upgrading technology requires funding. Our budgets have been stretched thin for decades, and the financial pressure continues to grow. It's now crucial that we support new revenue sources to ensure we stay ahead. Election integrity is too important both for our county and our country, which is why I fully support the County sales tax proposal," County Clerk Meg Wartman said.
