Dear Friend of Law Enforcement,

June 5, 2019

The Waukesha County Police Chiefs' Association (WCPCA) is holding its **34th Annual WCPCA Golf Outing on Wednesday September 18, 2019** at the Western Lakes Golf Course to raise money for several charitable organizations that are important to public safety in Waukesha County communities. This year the WCPCA has partnered with Crime Stoppers of Waukesha County.

Our primary beneficiary is the Waukesha County Child Advocacy Resource Center (CARE) which provides treatment for victims of child abuse, and assists law enforcement with investigations of crimes of physical and sexual abuse against children. The CARE Center is an invaluable resource for law enforcement, the families, and most of all the children who have been victimized by these types of crimes.

Thanks to your generosity our 2018 outing raised over \$16,000.00 which was distributed to:

- The CARE Center
- Waukesha County Crime Stoppers Program
- The Waukesha County Women's Center
- The Waukesha County Chaplains' Association

In addition the WCPCA provided scholarship funding for selected students enrolled in the Law Enforcement program at Waukesha County Technical College.

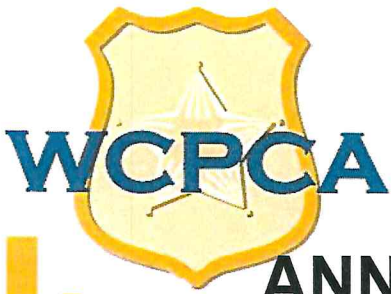

I recognize there are many worthwhile causes seeking your support. The WCPCA is a local organization committed to keeping Waukesha County safe by investing in *our* community. We sincerely ask for your partnership in sponsoring this event so we may once again provide needed funding to these local programs and organizations.

Should you have any questions please do not hesitate to contact me. Your response to this request would be greatly appreciated by August 15, 2019 or soon thereafter as our sponsors will be recognized at our outing.

Sincerely,

David Wentlandt
