About Us

The Wisconsin Injured Law
Enforcement Officers Resource
Council was established in 2014 and
was formed specifically to provide
assistance to Law Enforcement
Officers throughout the State of
Wisconsin who have been injured in
the line of duty.

Through corporate donations,
individual donors and fundraising
efforts we have been able to provide
support to those that have been
injured in the line of duty and had
their lives and the lives of their
families impacted because of it.

THANK YOU FOR YOUR SUPPORT!
