I have requested the Elder Benefit Specialist’s (EBS) assistance comparing Medicare Advantage and/or Part D plan options. I understand that the accuracy of the Plan Finder depends upon the information given by the Center for Medicare and Medicaid Services, as well as information I have provided to the EBS Program regarding my medications. **The Medicare website is subject to revision and/or error.** The most accurate information is available by contacting the plan directly. The EBS is not recommending any particular plan. I take full responsibility for the choice that I make. I understand that it is my responsibility to handle all further matters related to enrollment. If I become aware that my enrollment did not go through, it is my responsibility to follow up with the plan. If I have reason to believe that the enrollment was not successful, I will notify the plan and the EBS immediately. **I understand that all enrollments must be made by December 7, 2024.** I acknowledge that participants can generally only change plans once per year during the Open Enrollment Period (OEP). By enrolling in this plan now, I understand that, absent a special enrollment period, I may have to wait a year for the next OEP in order to drop or switch plans again. As part of the EBS Program, the EBS Program is required to report and share identifying and other information with the Wisconsin Department of Health Services EBS Program Manager and other relevant state employees for purposes of data reporting and quality assurance. This information also may be shared with funders, such as the Federal Government, as required. Aside from this exception, the EBS Program will not reveal client’s information without the client’s permission unless providing this information for the purpose of accomplishing the client’s goals.
