What is the Child Health and Parenting Program?

The Child Health and Parenting Program is a home visiting program for families with babies or young children. A nurse will work with families to provide information on your child's health and development. Waukesha County Public Health offers this program at no cost to families who live in Waukesha County.

Your Nurse Will Provide:

- Health and development screenings
- Height and weight measurements
- Personalized visits to fit your families needs
- **Community resources including:**

Healthcare providers

Dental Care

WIC

Counseling

Transportation

Food Access

Early Intervention Programs

How to Get Started

01 Reach Out

Contact Waukesha County Public Health to learn more about how this program can work with your family .

02 Sign Up

Fill out a brief form located on the Waukesha County Public Health website or work with a nurse to assist you with filling out the form.

03 Home Visits

A nurse will meet with your family in your home or other location that works for you. Visits can be scheduled to fit your needs.

04 Continuous Care and Connection

Your family and a nurse will work together to make sure your family is on the right track to a healthy lifestyle while staying connected to community resources.

Community Connection on the Go

Coactive

This app offers education, support and videos for pregnant or breastfeeding families.

pumpspotting

Provides a network of support from fellow parents & lactation consultants, PINs of breastfeeding friendly places, and more.
