

## BENEFIT ISSUANCE POLICY

- Please bring your eWIC card to the WIC office any time you come in for services.
- If you pick up 15-28 days late, the food amounts will be decreased.
- If you are over 28 days late, no benefits will be issued for that month.
- Benefits must be used within the specified dates printed on the shopping list.
- The eWIC card can be used in any of the Wisconsin WIC approved stores.
- For scheduled appointments, **Children are required to be present** in order for benefits to be issued.

*In case of SEVERE WEATHER, call ahead to see if the WIC office is open. WIC will not be open if the Public Health Division is closed.*

## ALTERNATES

You may designate up to two alternate users to your account. These may be changed at future visits. An alternate is someone you trust to complete your WIC visit in your absence, request benefits, participate in nutrition education, bring your infant or child to appointments, and have limited access to your WIC information. Contact the WIC office if you will be sending an alternate to your appointment, as a parent/guardian must sign required certification documents before benefits are issued.

## USDA Nondiscrimination Statement
