BENEFIT ISSUANCE POLICY

Always bring the yellow WIC calendar and eWIC card to the WIC office. If you pick up 15-28 days late, the food amounts will be decreased. If you are over 28 days late, no benefits will be issued for that month.

Benefits must be used within the specified dates printed on the shopping list. The eWIC card can be used in any of the Wisconsin WIC approved stores.

In case of SEVERE WEATHER, call ahead to see if the WIC office is open. WIC will not be open if the Public Health Division is closed.

ALTERNATES

You may designate one or two alternates to your WIC case at the time of your enrollment. An alternate is someone you trust to complete your WIC visit for you, request benefit issuance, participate in nutrition education, bring your infant or child to appointments, and have limited access to your WIC information. You may add or change your alternates at future visits.
